

The **Western Canada Summer Games (WCSG)** is a multi-sport event that provides competition opportunities for developing athletes. The Cycling portion of the 2015 WCSG will be held from August 7<sup>th</sup>-11<sup>th</sup>, 2015 in Wood Buffalo, Alberta. Team BC will consist of 5 male athletes and 5 female athletes. 1 coach, 1 manager, and 1 mechanic will lead Team BC.

Cycling BC is seeking applications from individuals with the ability to work as a team to accomplish the following goals:

- 1st place finish for Team BC at the 2015 WCSG
- Enhanced exposure of Cycling BC and Team BC events to club coaches and volunteers
- Identification of core group of athletes for the 2017 Canada Summer Games

Specific position details are described below.

#### **A. Coach Responsibilities:**

- Assist in coordination of camps (2-3) for development of potential Team BC athletes
- Conduct team practices, training camps and other necessary events prior to the WCSG
- Evaluate Team BC performance and assist with additional reporting (including post games evaluation)
- Participate in all conference calls, meetings and events related to the WCSG

#### **Coach Qualifications:**

- NCCP Level 3 Certified trained no later than 90days prior to the WCSG
- Experience coaching male and female athletes
- Experience delivering development camps is an asset
- Previous involvement with multi-sport games is an asset
- Advanced communication skills and ability to collaborate with others

#### **B. Mechanic Responsibilities:**

- Work closely with the Games Coach to ensure the Team is fully prepared for the Games
- Attend at least 1 team training camp

**Mechanic Qualifications:**

- Experience and knowledge of Mountain Bike and Road Racing bikes as a mechanic.

**Application:**

Please include a full Coaching/Mechanic resume, which includes NCCP Certification and NCCP number (coaches), past coaching highlights, and related coaching/mechanic experiences by **FRIDAY APRIL 24<sup>th</sup>, 2015 at 12pm PST.**

Late Applications WILL NOT be accepted.

Please address all applications to the High Performance Coordinator, Tara Mowat:
