

RBC GranFondo Whistler

Family Fondo

powered by

iRide

This September Gran Fondo Whistler is teaming up with Cycling BC's fun and engaging iRide program to grow our Family Fondo event. Strider bicycle activities will be available for riders under 6 and more challenging events will be available for bicycle riders over 6. Riders will work with iRide's NCCP-certified coaches to tackle a diverse collection of skills using their interactive and game-based learning curriculum. All participants will be awarded an iRide T-shirt and a Rocky Mountain Chocolate Gold Medal.

This event is also FREE of charge and will be located in and around the Gran Fondo finish line in Whistler's Lot 4 parking lot, making it a great way to engage the whole family in our Sea-to-Sky celebration of cycling.
