

Hello,

I am Gordon Reddy or, as some would say "Adam and Jason Reddy's Dad". I'm the guy who rings the bell and turns the lap board at Burnaby Friday Nighters. I have been riding and helping out at our local velodromes for the past two and a half years and have developed a strong respect for the track community as well as a love for track cycling. As a youngster I rode all over the Lower Mainland and remember riding on the China Creek Velodrome while the caretaker turned a blind eye. I came back to cycling 20 years ago, first mountain biking then road riding. When Jason started riding BMX I did a fair bit of riding on the local tracks. Now I recreationally ride Road, Downhill and Track.

I haven't done a lot of racing (a few road races and even fewer BMX races), but I have organized four road races. I spent a lot of time and energy dealing with the traffic control issues for road-racing in Langley and Abbotsford. I currently work on maintaining the Burnaby Velodrome and have never walked away from helping at any event I attend, if possible.

With the exciting prospect of a new VP Track position I see the chance to serve the track cycling community in Burnaby and Victoria. I would like to work towards sharing resources, like billeting and transport, as well as information and facilities. Through a shared effort by Cycling BC, each track's Boards but most of all the track cycling Community, we can ensure both Victoria and Burnaby remain not just viable but steadily improve in both structure and program.

I would like to work for you to achieve these goals.

Regards,

Gordon Reddy
